IOTA RECOGNIZED AT ZBT'S INTERNATIONAL CONVENTION

Iota Chapter President, Matt Coleman, accepting the Lee Dover award for Outstanding Chapter Programming from ZBT Foundation Board member Scott Silberfein.

Brothers attending this year's International Convention and Leadership School in Ft. Lauderdale included Iotas recruitment chair, Ben Brentin, our two Vice Presidents Marc Rios and Nick Young, and President Matt Coleman. Throughout the weekend, all four of our delegates interacted and exchanged ideas with ZBT chapters from across the nation. A range of topics was covered ranging from risk management to recruitment and philanthropy. Ben and Nick attended Recruitment University in order to learn different strategies and methods of recruiting in order to aid Iota this September. Matt attended the National Budget committee meeting and learned more about ZBT's national offices' plans for the upcoming year, which involves more expansion and interaction with national staff for chapters. They had the chance to hear an alumni panel of prominent ZBT's speak, including Iota's own Sandy Myers. After a valuable weekend of interaction and learning, our leaders look forward to implementing what they gained from Leadership School at DU in an effort to turn Iota into **A Powerhouse of Excellence.**

At the 2013 Zeta Beta Tau International Convention and Leadership School in Fort Lauderdale, Florida, the Iota chapter received the following awards and recognitions...
