## President

As we inch closer to the Fall and the upcoming academic year, we are gearing up for another successful year of rebuilding. This year will be an all-hands-on-deck operation in putting the Iota chapter back in contention for another Brummer cup.

It is our hope that we make the most of the new year whether it be in our philanthropic work, community service, brotherhood bonding, or social programming.

We also are eager to get to work recruiting an incoming class of good men to join our brotherhood of a lifetime.

Fall is around the corner, and we could not be more excited for what is to come.
